- Medical and Dental coverage
- Holidays, Sick Leave and Vacation time
- Ongoing training
- Opportunities for career development & growth
- Complimentary YMCA membership
- Reduced fees on YMCA programs
- Many sites to choose from, from Gilroy to Redwood City
- 403(b) Retirement Plan

When you work with the YMCA, you'll find yourself in a career with a bright future and the chance to make a lasting difference. The YMCA of Silicon Valley is looking for full time Assistant Directors in our After School program who want to work with a group of staff under their leadership. With their guidance, staff will share their talents and skills with young people, develop meaningful relationships with program participants and families, and provide positive outcomes for all youth.

**General responsibilities of the position include:**

Positive Outcomes: Developing age appropriate educational activities and lessons designed to teach youth new skills while helping youth find their passions and interests. Role model for youth our YMCA values of Respect, Responsibility, Honesty and Caring.

Collaboration: Promote a positive work environment and relationships with team members and school.

Relationships: Maintain positive relationships with students, families and school. Create opportunities for youth to experience opportunities to learn how to form close, durable human relationships with peers that support and reinforce healthy behaviors.

Leadership: Be a role model for youth. Make an impact with your actions as well as your words. Guide them towards behaviors that help them to thrive, and away from those that are risky.

**Minimum Qualifications:**

- Minimum 48 semester (or 72 quarter) units, or have passed the No Child Left Behind exam.
- Prefer prior experience working with youth and/or teens.
- Certified in CPR and First Aid, or be certified within 30 days of hire.
- Complete YMCA child abuse prevention within 30 days of hire.
- Provide proof of negative tuberculosis test.
- Minimum age of 18.
- Bilingual preferred.
