

**Company/Organization**

San Juan Unified School District  
Bridges After School Program, Arden/Carmichael CA

**Position Title:**

Recreation Aide

**Job Type:**

Recreation/Education, After-School

**Closing Date:**

September 16, 2016

**JOB SUMMARY:**

In the Arden/Carmichael Area San Juan Unified School District is looking for college students or those interested in careers in education to work in the Bridges After-School Program with elementary, middle school students. We are looking for people who can plan and lead recreation games, assist students with homework, and facilitate enrichment activities. Building positive relationships with students is critical to the success of our programs and we prefer candidates who are committed.

Work schedules are Monday-Friday and hours vary depending on the school sites, but are approximately 1:30pm-6:00pm MTWF and 12:30pm-6:00pm on Thursdays.

**Minimum Qualifications:**

Basic academic competency must be demonstrated by providing one of the following: Proof of a passing score on the San Juan Unified School District's proficiency exam, transcripts demonstrating completion of two years of college (48 semester units/60 quarter units), an AA/AS degree (or higher), or proof of a passing score on the California Basic Educational Skills Test (CBEST).

The position requires passing of a criminal background check. Education and Experience (Special Events Leader ): Requires a high school diploma or equivalent; any combination of training, education, and experience which demonstrates the ability to assist in the planning and facilitation of activities in an after school program; Ability to work after school hours and attend occasional evening or weekend meetings/trainings; CPR/First Aid certification desirable.
