

# Site Coordinator Expanded Learning Symposium all for Proposals

## CALIFORNIA DREAMIN'

The Regions and Organizations identified below are searching for exceptional presenters (especially site coordinators/leads) to explore best practices and cutting-edge issues that implement the quality standards in expanded learning, community-based and summer programs. As a presenter you will reach fellow coordinators, directors, supervisors, providers and others who are committed to helping young people flourish in expanded learning programs.

California DREAM'n - Focusing on Continuous Quality Improvement, STEAM, SEL, Summer and more.

### Selection Criteria

- Is the workshop appropriate for the target audience?
- Will the workshop actively engage participants in hands-on learning and interactivity between presenter and the audience? (workshops are 90 minutes long)
- Does the workshop support at least one of the Quality Standards?
- Will the workshop content and materials provide participants with new methods, practices, or creative and innovative ideas for their programs?
- Does the workshop abstract accurately describe the workshop content?
