

Mental Health 101 Training

**CAPACITY
GRANT**
CYBHI School-Linked Partnership

As part of the Children and Youth Behavioral Health Initiative (CYBHI) School Linked Partnership and Capacity Grant, Sacramento County Office of Education (SCOE) and Santa Clara County Office of Education (SCCOE) invite you to register for one **free virtual mental health 101 training**.

This session is intended for **school, district, and county leaders**, and will share turnkey resources to introduce concepts and conversations related to mental health. This will include slide deck trainings that leaders can implement for students, staff, and families. The same training will be offered twice, please **register for one session!**
