

CAN Leadership Team

Guidelines For

Governance¹

Updated September 2024

“Responsible boards² are competent stewards... Exceptional boards add active engagement and independent decision-making to the oversight function. Their members are open and honest with each other and the chief executive. They passionately challenge and support efforts in pursuit of the mission. The difference between responsible and exceptional boards lies in thoughtfulness and intentionality, action and engagement, knowledge and communication.”

Source: Twelve Principles of Governance That Power Exceptional Boards (Boardsource, 2005)

¹CAN's Guidelines for Governance can be approved and amended by $\frac{2}{3}$ vote of the quorum present at any standing meeting, meeting called for that purpose, or through a quorum of all members through an electronic vote.

²Note: The CAN Leadership Team is not a Board of Directors and does not have the fiduciary responsibilities of a non-profit board. CAN's Fiscal Sponsor, the Foundation for California Community Colleges board of directors and officers are CAN's fiduciaries.

³According to the Centers for Disease Control and Prevention, “Out- of- School Time (OST) is a supervised program that young people regularly attend when school is not in session. This can include before-and after-school programs on a school campus or facilities such as academic programs (e.g., reading or math focused programs), specialty programs (e.g., sports teams, STEM, arts enrichment), and multipurpose programs that provide an array of activities (e.g., 21st Century Community Learning Centers, Boys & Girls Clubs, YMCAs).” Reference - <https://www.cdc.gov/healthyschools/ost.html>.

California has the largest collection of OST programs in the nation consisting of federal, state, local, city, community, and fee-based programs. Each system has its own unique networks, standards, and practices.

⁴Expanded Learning programs are a subset of OST programs in California that receive funding administered by the California Department of Education’s Expanded Learning Division and are defined in the California Education Code as “before and after school, summer, and intersession learning experiences that develop the academic, social, emotional, and physical needs and interests of children and youth. Expanded Learning opportunities should be hands-on, engaging, studentcentered, results-driven, involve community partners, and complement learning activities in the regular school day/year.”

⁵Sectors include but are not limited to government and community based health/ public health, mental health, social services, education (K-12 and higher education), expanded learning, child care, recreation, enrichment, nutrition, workforce development, municipality, child/family advocacy agencies, and other human service agencies.

⁶CAN seeks to improve the lives of all children and youth with an explicit emphasis on historically marginalized and under-resourced communities. This emphasis is grounded in the philosophy that when we design for the many, our systems may continue to perpetuate marginalization. When we design at the margins, we design for all.

⁷An interest holder is defined as a person with an interest or concern in something. An interest holder as it pertains to this handbook might include children, youth, families, OST professionals, community members, policymakers, and individuals including but not limited to representatives from any of the sectors mentioned in footnote number four.

CAN's Commitment to Equity and Justice

CAN is Committed to Equity and Justice

CAN is not neutral on issues of equity, social, and racial justice. We acknowledge neutrality as complicity in perpetuating injustice.

The [Quality Standards for Expanded Learning in California](#) highlight that quality programs create an environment in which students experience values that embrace diversity and equity regardless of race, color, religion, sex, age, income level, national origin, physical ability, sexual orientation, and/or gender identity and expression. **As leaders in our field we seek to perpetuate these conditions for children, families, Out-of-School Time (OST) professionals, and communities.**

CAN acknowledges a history of white supremacy, racial injustice, patriarchy, hetero-normativity, capitalism, environmental injustice, and oppression that has resulted in inequitable outcomes for children, youth, families, and communities. **Serving as CAN Leaders requires us to acknowledge our history and to act intentionally as geographically, culturally, and professionally diverse allies to bring about a more just and equitable future.**

CAN acknowledges that our current systems are designed to produce the outcomes they are producing. These systems can be redesigned. CAN applies equity design principles to how CAN works, and integrates equity-driven principles into what CAN does. **CAN actively works to create a NEW WAY OF BEING, one that is human-centered, socially just, and anti-racist. We recognize that this approach supports the success of all people, and devalues none.**

We understand that the culture is steeped in norms and patterns of white dominance, patriarchy, hetero-normativity, etc. that are often difficult to recognize (like a fish recognizing water). **It is incumbent upon us as CAN Leaders to be open and inclusive of a diversity of perspectives, engage in personal reflection, and examine how our biases show up in our leadership.**

While CAN advocates and lobbies for policies supportive of OST access and quality, we also acknowledge that OST programs exist within a broader context that impacts the lives of the children, youth, families, and communities we serve. **Therefore, we advocate and lobby for just and equitable human-serving systems including and beyond OST.**

CAN's Equity Symbol

This symbol represents the importance of equity considerations in promoting quality and continuous quality improvement.

Participation in the California AfterSchool Network

There are three primary ways that Out-of-School Time (OST) interest holders participate with the California AfterSchool Network. They are not mutually exclusive, and each carries specific levels of benefits and responsibilities.

Subscribers

Network subscribers receive free access to information regarding current after school policy, funding opportunities, resources to build quality, as well as current after school news, events, and research. Subscribers have full access to resources on the CAN Newsletter, social media, and website.

Members

Network members actively participate in CAN Action Teams and initiatives (such as the Site Coordinator Network). Members represent the voice of the field and inform Network staff regarding CAN's efforts to address OST issues and concerns, and work collectively to achieve specific objectives set forth in work plans. Members receive the benefits of subscribers as well as other specific benefits of participation based on the specific opportunity.

Leaders

Network Leaders are members of the CAN Leadership Team. Leaders apply to serve on the Leadership Team. An Action Team, comprised of CAN Leadership Team members, implements the New Leader Selection Process based on the applications received.

Leadership Team Membership

Leadership Team Membership

The Leadership Team is the primary leadership body of the California Afterschool Network. The Leadership Team includes at least 16, but no more than 23 CAN Leaders, including 2 Ex-officio leaders. Leaders serve for up to two, three-year terms. CAN's Leadership Team consists of field interest holders that guide all aspects of CAN's work including its strategy, procurement and use of resources, Action Team operations, and Executive Director support. Leaders advise all aspects of CAN's work, Leaders do not hold the duty of a trustee.

Defining Ex-Officio Membership

Ex-officio members are advisors to the Leadership Team. Ex-officio members are non-voting, and they are not eligible to Co-chair the LT. Examples of potential Ex-officio members of the Leadership Team include State Education Agency (SEA) partners and the liaison to the CAN Fiscal Sponsor (the Foundation for California Community Colleges, or FoundationCCC).

Who CAN Leaders May Represent

CAN Leaders are geographically, professionally, and culturally diverse representatives of a comprehensive and balanced cross section of organizations and sectors. Leaders may represent:

- OST associations, intermediary organizations, and consortia.
- OST professionals, providers and administrators
- OST Technical Assistance (TA) providers
- Law enforcement organizations
- Public health agencies
- Community Based Organizations and Non-Profit Organizations
- Institutes of higher education
- Parent organizations (e.g., state/local PTA)
- OST and youth advocacy organizations
- Community development organizations
- Summer learning programs, camps, and camping associations
- City based youth programs and Parks and Recreation departments
- Non-government funded OST organizations
- Workforce development organizations and agencies
- Equity and social justice organizations
- Philanthropy
- K-12 agencies such as the California Department of Education (CDE), the California County Superintendents Educational Services Association (CCSESA), The Association of California School Administrators (ACSA), The California School Boards Association (CSBA), etc.
- Child Care organizations including the CDE's Early Education and Support Division (EESD), California Child Care Coalition, California Child Care Resource & Referral Network, California Child Care Coordinators Association, Child Care Law Center, etc.

CAN Leaders Act as CAN's Primary Leadership Body

The Leadership Team acts as CAN's primary leadership body by:

- Designing CAN's Strategic Direction
- Make decisions on whether CAN adopts new opportunities and partnerships
- Assessing progress toward strategic goals and makes recommendations to support organizational success
- Participating in fund-development and partnership development efforts
- Reviewing and providing oversight to CAN's budgets and finances
- Supporting the CAN Executive Director
- Representing CAN publicly
- Supporting a positive relationship with CAN's Fiscal Sponsor⁹ (Collaborative Impact Partner), FoundationCCC.

The governing board and officers of FoundationCCC hold primary fiduciary responsibility for CAN. The relationship between CAN and the FoundationCCC is outlined in a Memorandum of Understanding (MOU).

CAN Leaders shall serve without compensation for their services. Leaders may receive reimbursement for travel for Leadership Team meetings if they are unable to attend a meeting due to lack of travel reimbursement. In addition, Leaders are not precluded from serving the Network in other capacities and receiving reasonable compensation for such services.

The Role of CAN Leaders in CAN Fund Development

Fund development planning and implementation are a collaborative effort of CAN staff and Leaders. Participation in CAN's fund development is not a prerequisite for CAN Leadership, however there are multiple ways for CAN Leaders to contribute to CAN's fund development strategy. As part of their application process, CAN Leaders will indicate how they can or would like to participate in CAN fund development. The purpose of doing so is to address any potential conflict of interest and ensure diverse Leadership Team Membership. All CAN leaders shall recuse themselves from conversations regarding funding when such conversations represent a conflict of interest as outlined in the Conflict of Interest Policy.

Potential Roles of CAN Leaders in Fund Development

- Help Identify, and recommend potential funders/donors that may support CAN's Strategic Direction.
- Make connections between CAN and potential funders and donors (e.g., email introduction).
- Cultivate a relationship between a funder/donor (e.g., actively pursue discussions with funders/donors) on behalf of CAN.
- Ask for a gift/grant/contract/donation on behalf of CAN.
- Thank and recognize potential and actual funders on behalf of CAN (e.g., make phone calls or write an email/letter to thank funders/donors/partners).

How CAN Leaders Support CAN's Work

CAN Leaders support CAN in a variety of ways outside of their attendance and engagement in meetings including but not limited to:

- Participating consistently with the CAN Leadership Team Commitment Agreement. Participate authentically, and engage in efforts to continuously improve Leadership Team operations and engagement.
- Recruiting new subscribers to CAN's communications, recruit and submit new subscribers to the CAN newsletter, social media, youtube channel/fireside chats, etc.
- Promoting, participate in, and send team members to CAN convenings.
- Engaging new partners in the work of CAN. Make connections between the CAN staff team and other potential partners supportive of our strategic direction and initiatives.
- Volunteering to offer a "CAN update" in your local collaboratives, regional meetings, etc. (CAN staff would be happy to provide you with an update and materials to share).
- Informing philanthropy and funding partners about CAN's work and engage in active fund development processes.

Leadership Team Commitment

Leadership Team membership responsibilities and compensation is outlined in the Leadership Team Commitment Agreement, attached as *Appendix A*.

Selection, Terms, Resignation, and Removal of CAN Leaders

Selection

Leaders apply for the opportunity to become Leaders through a Leadership-Team informed application process. An Action Team convened as a subset of the CAN Leadership Team, bears the primary responsibility of assessing the candidates and selecting the slate of new Leaders. Leadership Team applications can be released as recommended by the Action Team. Typical selection processes may begin with an application release in late Fall/early Winter, with a selection process culminating by April/May, and new members officially beginning their term July 1st.

Leadership Team Terms and Term Limits

CAN Leadership Team terms are three years. Leaders are eligible to serve two consecutive terms, after which a Leader terms off of the Leadership Team. It is possible for individuals to re-apply for the CAN Leadership Team one year after their second term is complete. Terms follow the fiscal year (July 1—June 30). Terms begin July 1st of the Leaders first year and end on June 30th of the third year of their term.

Resignation

Any Leader may resign at any time by notice in writing to the Leadership Team Co-chairs.

Removal

Any member can be removed by a recommendation from the Leadership Team Co-chairs and CAN's Executive Director and a $\frac{2}{3}$ vote of the required quorum of the Leadership Team. A Leadership Team member being considered for removal must recuse themselves from removal conversations.

CAN Leaders can be removed in the case they participate in conduct that is detrimental to CAN's interests, cannot fulfill the responsibilities and commitments of CAN Leadership, or participate in ways that are inconsistent with CAN's Guiding Principles and Commitment to Equity and Justice. CAN Leaders can be removed with or without cause.

The removal processes should involve multiple opportunities for dialogue and an invitation to resign prior to the initiation of a removal process.

Leadership Team Meeting Procedures

Meetings

The CAN Leadership Team's meeting schedule is created annually through a collaborative process involving CAN staff and the CAN Leadership Team Co-chairs. The meeting schedule is designed based on the input and availability of the Leadership Team and the Leadership Team Commitment Agreement. The CAN Leadership Team typically does not meet in the months of December, June, and July.

Defining a Quorum

In order for any voting decision to be made, a meeting must have a quorum. A quorum is defined as 50% of current members, plus one member present.

Attendance

As outlined in the CAN Leadership Team Commitment Agreement, Leaders commit to attending 67% (four of six) of Leadership Team virtual meetings and at least 50% of a two-day annual in-person retreat. CAN Leaders are the only individuals that can attend and vote at CAN Leadership Team meetings. Leaders are not eligible to send representatives in their place.

Voting Procedures

CAN seeks high levels of alignment and consensus in its decision-making. Technically, most Leadership Team decisions require a majority vote of the quorum present. The separation of CAN from its fiscal sponsor, selection of an Executive Director, and selection of Leadership Team Co-chairs, and amendment to CAN Governance requires a $\frac{2}{3}$ vote of the required quorum at any regular or special meeting called for such purposes. Ex-officio Leaders do not vote but are free to offer input and advice during the voting process consistent with CAN's Conflict of Interest Policy.

Leadership Team Co-chairs determine the appropriate method and process for each scheduled vote. Voting and decision-making may be conducted during in-person and virtual meetings by assessing those in favor, those opposed, and those abstaining from a vote; offering a spectrum of agreement (e.g., whole-hearted endorsement, support with reservation, abstain, cannot support without further discussion, and serious disagreement); a silent ballot; electronic survey; or other method selected by Leadership Team Co-chairs. Voting between meetings may take place via virtual meeting.

Leadership Team Co-chairs

Leadership Team Co-chairs lead and facilitate the business of the Leadership Team; provide support, guidance, and oversight to the CAN Executive Director; and are the Liaison with CAN's Fiscal Sponsor on legal, fiscal, personnel, and ethical issues. Co-chairs are eligible to, but not required to participate in Action Teams.

Leadership Team Co-chairs are responsible for designing and facilitating Leadership Team meetings in collaboration with the CAN Executive Director. Co-chairs provide ongoing support and guidance to the CAN Executive Director on CAN operations, personnel matters, etc. Additionally, Co-chairs assist the Executive Director in annual goal-setting and performance review. They prepare the Executive Director's annual performance review and make recommendations to the Leadership Team and Fiscal Sponsor regarding changes to the Executive Director salary. Leadership Team Co-chairs may prepare the Executive Director's annual performance review with the support of an ad-hoc review committee.

Terms of Leadership Team Co-chairs

CAN seeks staggered terms for Leadership Team Co-chairs to ensure continuity and ongoing stability of Leadership Team operations. The terms of Leadership Team Co-chairs mirror the terms of Leadership Team membership. Co-chairs are eligible to serve two consecutive three year terms as Co-chair.

Nomination of Leadership Team Co-chairs

It is the responsibility of the CAN Executive Director and Leadership Development Committee to ensure that a nomination process takes place in a timely manner to ensure that CAN always has at least two Co-chairs in place. CAN Leaders self-nominate and are elected by the CAN Leadership Team.

Election and Removal of Leadership Team Co-chairs

Leadership Team Co-chairs are elected or removed by a $\frac{2}{3}$ vote of the CAN Leadership Team of the required quorum at any regular or special meeting called for that purpose. In the case that there are more nominees than available positions, CAN Leaders would vote anonymously and the candidate(s) with the most votes would assume the role of CAN Leadership Team Co-chair.

Leadership Team Co-chair Elect

The Leadership Team can, but is not required to, maintain a Leadership Team Co-chair Elect position. The Co-chair Elect would serve a three-year term or term that matches the existing length of their Leadership Team term. The purpose of a chair-elect would be to work in a supportive role of the Leadership Team Co-chairs in preparation to assume the role of Leadership Team Co-chair should there be an unexpected transition of a Co-chair(s). It is possible that the Co-chair elect would assume a Leadership Team Co-chair position as part of a planned leadership transition.

Action Teams

CAN engages field interest holders as needed through Action Teams. Each Action Team defines its work independently. Action Teams may consist of a subsection of CAN Leaders, and may also include members outside of the Leadership Team depending on the desired objective. Progress toward Action Team goals is monitored through ongoing updates provided to the CAN Leadership Team.

Definition of a CAN Action Team

Action Teams are a strategy to garner field voice and input to CAN's work and are created to fulfill a specific, time-bound objective.

Formation and Dissolution of Action Teams

Action Teams are established through a $\frac{2}{3}$ vote of the CAN Leadership Team.

Action Team Leadership

Action Team Leadership is determined on a case-by-case basis and can consist of subsets of the CAN Leadership Team and/or other field interest holders, and can be led by CAN staff and/or field-based Co-chairs.

Action Team Work Plans

Each Action Team is established to complete a specific, focused, and time-bound objective(s) (consistent with CAN's Strategic Direction). Action Team work plan timelines are dependent upon the objectives of the work. Progress toward Action Team objectives is provided at regular intervals to the CAN Leadership Team as part of ongoing progress updates.

Action Team work plans are designed to accomplish (a) focused and limited objective(s) directly correlated and aligned to CAN's Strategic Direction. Action Teams' scope and timeline are created consistent with the objective the Action Team seeks to achieve.

Monitoring of Action Team Work

Progress toward Action Team goals will be monitored by the CAN Leadership Team through ongoing progress updates consistent with the Leadership Team meeting schedule and plan.

Incentives for Action Team Participation

Action Team members have influence over the work products they support, are honored for their participation on the CAN website, and are listed in any published work products they assisted in creating.

Fiscal Resources Supporting Action Teams

Some Action Teams are established with funding associated with them. In the absence of earmarked fiscal resources, CAN may support specific requests from Action Teams depending on available resources.

The Role of the Fiscal Sponsor

The role of FoundationCCC, CAN's Fiscal Sponsor, is outlined in a detailed Memorandum of Understanding (MOU) is provided to the CAN Leadership Team as a separately attached document.

Separation from the Fiscal Sponsor

Separation from FoundationCCC and establishing a new fiscal sponsor is possible upon a $\frac{2}{3}$ vote of the Leadership Team.

Establishing Fiscal Sponsor Agreements

The CAN Executive Director may sign an MOU with a new fiscal sponsor or revised agreements with the existing Fiscal Sponsor upon a $\frac{2}{3}$ vote of the quorum present at any standing Leadership Team meeting called for that purpose, or through a quorum of all members through an electronic vote.

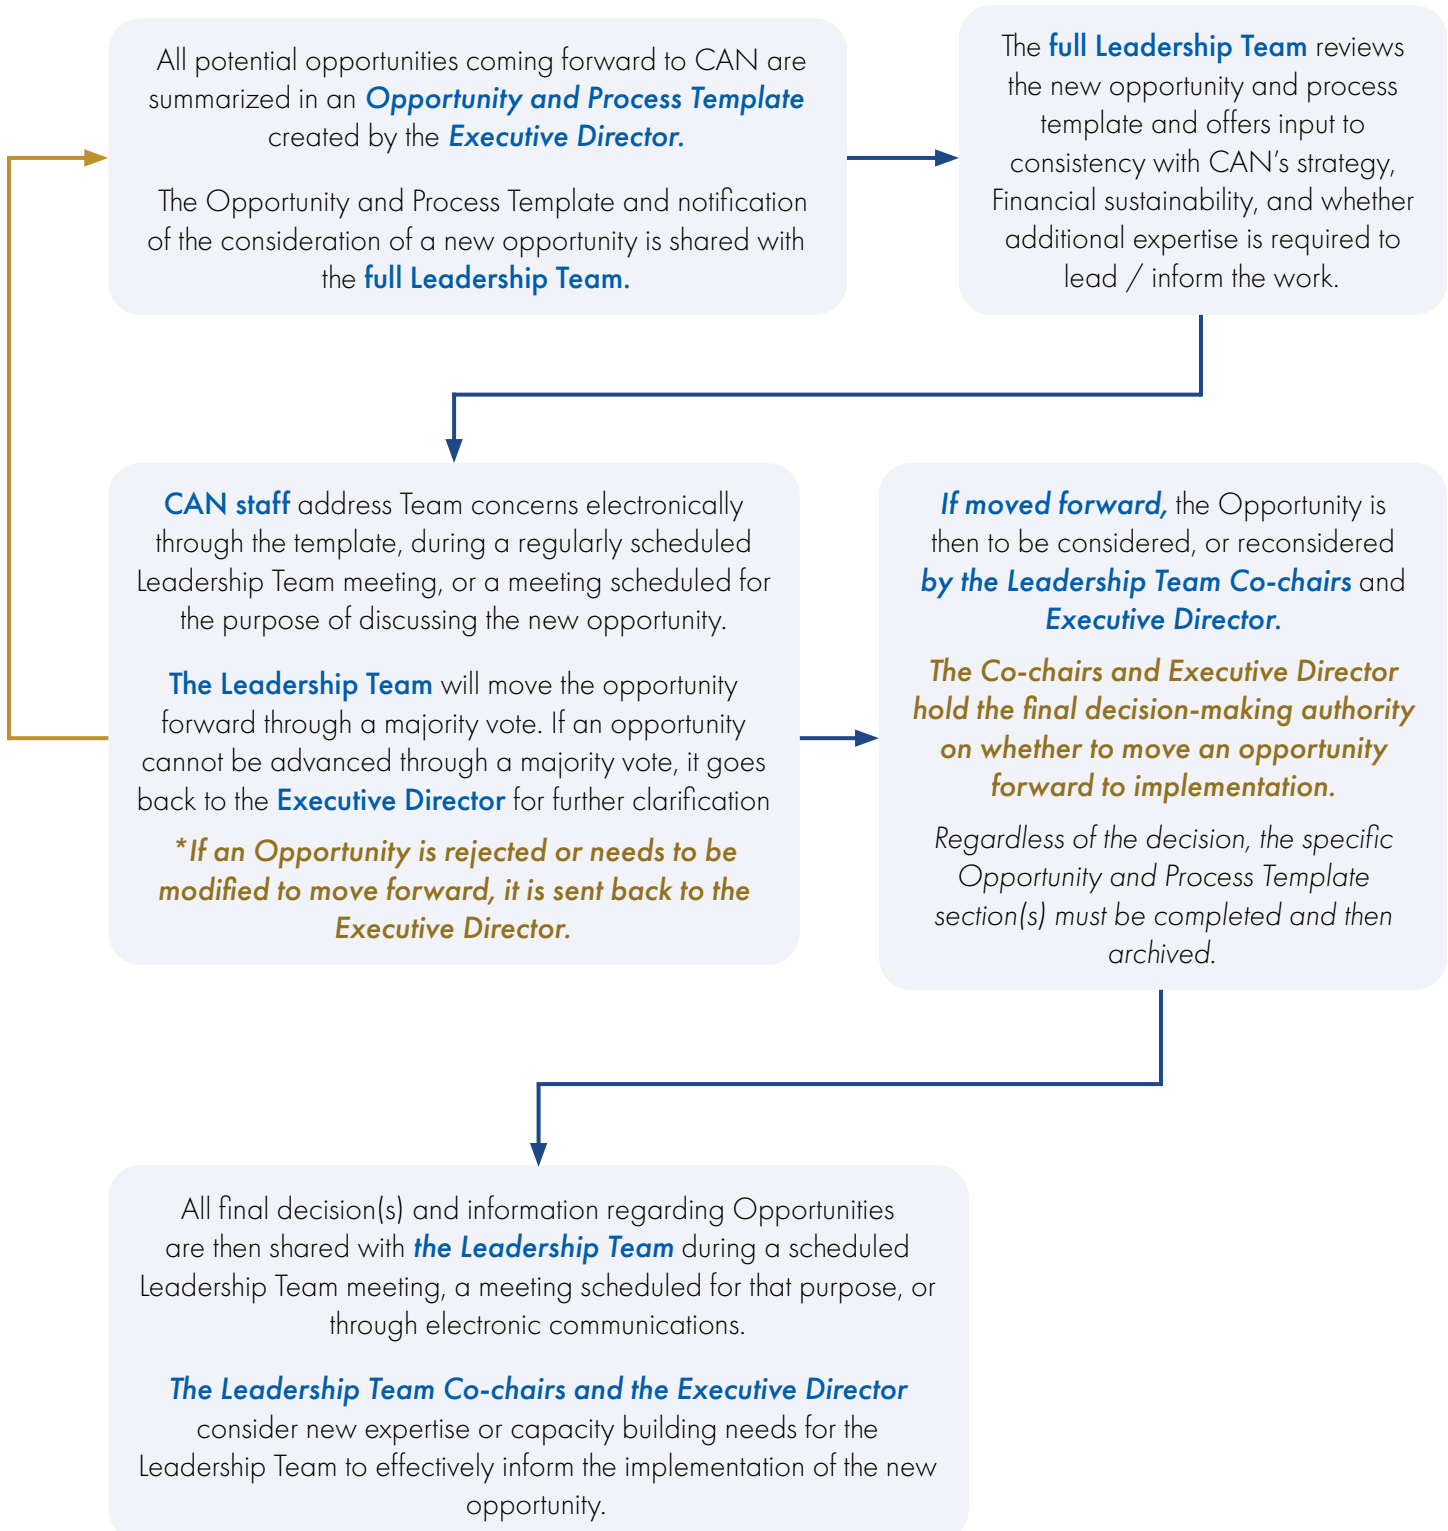

FOUNDATION *for* CALIFORNIA
COMMUNITY COLLEGES

The Role of the CAN Executive Director

The CAN Executive Director provides support to the CAN Leadership Team. The Executive Director ensures CAN's Leaders have appropriate and timely information to guide decision-making. They manage CAN's personnel, is ultimately responsible for CAN's project management, budget management and ensures fulfillment of all CAN funded work and deliverables.

New Opportunity Consideration and Adoption Process

Opportunities are defined as new potential funding partnerships or new structures (e.g., a new Action Team or additional staffing). They are considered and adopted through the process outlined below:

Appendix A: Leadership Team Commitment Agreement - Expectations & Responsibilities

Purpose

The purpose of this agreement is to define and develop a strong and mutually beneficial collaborative relationship between California AfterSchool Network (CAN) and its Leadership Team comprised of California's Out of School Time (OST) and Expanded Learning stakeholders and allies.

Leadership Team Oversight

The Leadership Team acts as CAN's primary leadership body by defining CAN's strategic direction; making recommendations on whether CAN adopts new opportunities and partnerships; assessing progress toward strategic goals and makes recommendations to support organizational success; participating in fund-development and partnership development efforts; monitoring CAN's budgets and finances; supporting the CAN Executive Director, representing CAN publicly, and supporting a positive relationship with CAN's Fiscal Sponsor (Collaborative Impact Partner), the (FoundationCCC).

The governing board and officers of FoundationCCC, CAN's Collaborative Impact Partner, hold primary fiduciary responsibility for CAN. The relationship between CAN and the FoundationCCC is outlined in a Memorandum of Understanding (MOU). CAN Leaders shall serve without compensation for their services. Leaders may receive reimbursement for travel for Leadership Team meetings if they are unable to attend a meeting due to lack of travel reimbursement. I have read, understand, and agree to the expectations and responsibilities of the CAN Leadership Team Commitment Agreement.

Appendix B: CAN Conflict of Interest Policy

Context

Leaders inform all aspects of CAN's strategies including sustainability and fund development. Because CAN is a representative agency of the field it is inevitable that at any given time CAN Leaders will represent agencies that have unique relationships with the same funders or partners that CAN may have or is considering a relationship with. CAN may have existing partnerships or be considering partnership with agencies Leaders represent, and agencies Leaders represent may also have their own unique partnerships. It is important that Leaders can actively and authentically participate on behalf of CAN in the context of diverse and interconnected funding streams and organizational relationships outside of the CAN Leadership Team.

Purpose

CAN's Conflict of Interest Policy exists to:

- Ensure that CAN will always have a diverse, field-representative Leadership Team in the context of multiple organizational funding relationships;
- Ensure and allow transparency between CAN staff and Leadership Team regarding CAN's finances and fund development strategies; and
- Ensure that Leadership Team members act in the best interest of CAN while participating in the role of CAN Leader in context of any and all organizational relationships outside of the CAN Leadership Team.

CAN Leadership Team Conflict of Interest Policy

- Participation in CAN should not impact the existing relationship between any individual/organization and a given funder, donor, or partner.
- It is the responsibility of Leadership Team members, Co-chairs, and CAN staff to disclose to the Leadership Team which funding opportunities, donor relationships, or potential partnerships will be discussed during meetings and disclose to the Leadership Team any potential conflicts of interest.
- It is the responsibility of Leaders to disclose actual or potential conflicts of interest including whether the organization they represent has, or is considering a relationship with the same funder, donor, or partner for a similar purpose as CAN.
- It is the responsibility of the individual Leadership Team member and/or the Leadership Team and Co-chairs to determine whether an actual conflict of interest exists and whether the Leader should recuse themselves from discussion and voting pursuant to that funding opportunity, donor relationship, or partnership.
- All Leaders including Ex-Officio Members must recuse themselves, as they or the majority of Leadership Team members see necessary, from discussion and/or voting pursuant to sensitive topics related to their personal or organizational work as it pertains to CAN.
- CAN's Conflict of Interest Policy is reviewed annually by the CAN Leadership Team and revised as requested. Each year, CAN Leaders sign a document agreeing to participate as Leaders consistent with the CAN Conflict of Interest Policy.

Appendix C: CAN Leave of Absence Policy

Context

CAN Leaders serve in a voluntary capacity consistent with the CAN Leadership Team agreement. CAN Leaders have the opportunity to serve two, three-year terms. Over a period of this duration, CAN Leaders may experience shifts in their personal or professional life that impact their participation. The CAN Leave of Absence Policy creates a clear procedure for Leadership Team members when life events happen.

Purpose

The CAN Leave of Absence Policy exists to:

- Create a low barrier for CAN Leaders to fulfill their commitment as a CAN Leader.
- Create a human-centered approach to support CAN Leaders when they experience life events and professional shifts.

CAN Leadership Team Leave of Absence Policy

Who is eligible for a Leave of Absence?

The CAN Leave of Absence Policy is available to any CAN Leader who has participated consistently with the CAN Leadership Team Commitment Agreement in the current year.

Why do CAN Leaders submit for a Leave of Absence?

CAN Leaders can submit for a Leave of Absence for reasons including personal health, family health, family commitments, transitions in professional status (e.g., new role, a new position, relocation), or in case of unforeseen and unavoidable circumstances.

What is the procedure to request a Leave of Absence?

CAN Leaders can submit a Leave of Absence with an email to the CAN Leadership Team Co-chairs and Executive Director. All Leaders who submit for a Leave of Absence and are participating consistent with the Leadership Team Commitment Agreement in the current year of service will be automatically granted a leave of absence.

What is the duration of a Leave of Absence?

The duration of a Leave of Absence shall be granted consistent with the Leadership Team member's employer leave of absence policy. It is the responsibility of the CAN Leader to be specific about the start and end date of that leave. In the case of a Leave of Absence request due to a change in position, role, or organization, it is the responsibility of the Leadership Team member to assess their employer's support for their continued participation on the CAN Leadership Team. If the employer does not support a Leader fulfilling the position, the CAN Leader is responsible for communicating their resignation. If a leave is necessary to support the transition into a new position, the CAN Leader must work with their employer to determine the duration (suggestion of 90 days or less) of the absence and notify the Leadership Team Co-chairs and Executive Director of the duration of their leave in their request.

How does absence impact voting and participation?

During a Leave of Absence, CAN Leaders are eligible to participate in meetings and vote on any organizational business. When a CAN Leader does not attend during their absence, it will be noted on the Leadership Team, or Action Team meeting notes that the CAN Leader is absent on leave.

Other determinations:

- LT Co-chairs and CAN staff may need to ensure adequate leadership is in place should the person on leave be a Leadership Team or Action Team Co-chair.
- Leadership Team Co-chairs and the Action Team recruiting and selecting new Leaders can consider participation and absence when making recommendations on whether a Leader remains in their position for a second term.
