

Welcome!

# Spring 2025 ELO-P Academy

## Strategies to Support Attendance Recovery

**CAN**  
California Attendance Network  
CONNECT. CONVERSE. INSPIRE.

**April 22, 2025**

10:00 AM – 12:00 PM

# Mindful Moment

**We will begin recording now.**

Welcome!

# Spring 2025 ELO-P Academy

## Strategies to Support Attendance Recovery

**CAN**  
California Attendance Network  
CONNECT. CONVERSE. INSPIRE.

**April 22, 2025**

10:00 AM – 12:00 PM

## Today's Agenda

10:00 AM: Welcome!

**10:15 AM: Workshop Session:**

***Strategies to Support Attendance Recovery***

11:25 AM: Closing Comments

11:35 AM: Interactive Breakout Sessions

12:00 PM: Zoom & Workshop Ends

## Shared Learning Spaces

We hold our workshops as shared learning & collaborative spaces and often update materials with content & resources lifted throughout the presentation.

We will share resources and contact info via a Google Doc that all participants can access. (note: for security reasons the full chat cannot be downloaded)

**Presentation materials, including the recording will be available shortly (within 24 hours) after the workshop.**

# A Recap of our Spring 2025 ELO-P Academy Journey

## Day 1: Nuts & Bolts: EXL 101 & Education Funding - *How Expanded Learning Fits Into the Education System*

**Tiffany Gipson**  
Director, Equity & Quality

**Heather Williams**  
Director, Policy & Outreach

## Field Spotlights: *Promising Practices in Action*

**Jennifer Davis**  
Administrator of  
Expanded Learning

Bakersfield, CA, Region 8

## Day 2: Strategic Design for CA Expanded Learning: *Activate, Join, and Shape the Ecosystem Plan*

**Vanessa Hernandez (she/her)**  
Senior Specialist,  
Policy & Outreach

**Heather Williams (she/her)**  
Director,  
Policy & Outreach

# CAN's Expanded Learning Pedagogical Methodology

We believe every child, youth, and the adults that live, love, and work with them deserve just and affirming spaces and opportunities that enrich, empower, enlighten, educate, and elevate them. We know learning happens in every context and young people are assets in supporting their own learning, and co-creating the solutions to the issues and challenges they face.

Expanded Learning/OST spaces can be cultivated by anchoring in some core beliefs and shared mindsets:

- We are rooted in love and love is shown in our actions and our words.
- We are asset-anchored AND driven.
- We are aspirational in our mindsets, words, and actions.
- We are connected by our differences because that is what gives us strength and creates our collective. The appreciation of every culture, language, and lived experience is what we leverage to grow and nurture our collective spaces.
- We make decisions based on elevating the intrinsic gifts, talents, and wisdom of those closest to the problems we work collaboratively to solve.
- We learn by doing and we grow by reflecting on that learning.

## Day 3: Strategies to Support Attendance Recovery

**Paula Mishima**  
Educational Data  
Management Division

**Lindsay Blomberg Johnson**  
Education Programs Consultant  
Expanded Learning Division

**Liberty Van Natten**  
Educational Data  
Management Division

**Luke Bailey**  
Education Programs Assistant  
School Fiscal Services Division

**Jen Taylor**  
Education Programs Consultant  
Expanded Learning Division

**Dean Patterson**  
Administrator,  
School Fiscal Services Division

# Attendance Recovery and ELO-P

## April 22, 2025

School Fiscal Services Division  
Expanded Learning Division  
Education Data Management Division

**CALIFORNIA DEPARTMENT OF EDUCATION**  
Tony Thurmond, State Superintendent of Public Instruction

# Disclaimer

This presentation is advisory in nature. It is not intended to cover in detail every statutory requirement and exception, nor should it be relied upon as the authority for attendance recovery programs.

Our contact information is available if you need to reach out for support regarding a specific situation.

# Purpose

- Attendance Recovery (AR) was created by new *EC* sections 46210-46211.
- Strategies of LEAs that have been effective at addressing chronic absenteeism incorporate a variety of measures.
- One element of successful strategies is increasing student access to instructional time to make up for missed time.
- Purpose of attendance recovery is to:
  - Provide students with more opportunities to learn
  - Enable LEAs to offset absences and recover funding

# Overview (1)

## Purpose

- Help LEAs recoup instructional opportunities missed due to high absenteeism rates
- Enable LEAs to recover funding lost due to absences
- Increase student access to instruction

## Offering

- Voluntary for LEAs to offer
- Voluntary for students to participate
- Does not replace or modify Saturday School
- ELO-P funds may be used for Attendance Recovery if certain conditions are met

## Eligibility

- Starts FY 2025-26
- School districts, COEs, and classroom-based charter schools may offer to TK/K-12 students
- Classroom-based students only
- Not compulsory, nonpunitive

# Overview (2)

## Requirements

- Immediate supervision and control of certificated LEA employee
- Substantially equivalent instruction
- Student: teacher ratios
- Minimum daily minute requirements apply to all LEAs
- Subject to annual audit

## Limitations

- Does not count toward regular instructional time
- ADA recovery capped at the fewer of:
  - 10 days per student, or
  - The student's total absences for the year

## Timeframe

- Can operate before or after school, on weekends, or intersessional days
- If offered, must be at least once per term
- ADA applied to current fiscal year

# Expanded Learning Opportunities

## Expanded Learning Opportunities Program (ELO-P)

- Provides funding for afterschool / summer school enrichment programs
- TK-6 grade students
- Derived from Assembly Bill 130

## “Expanded Learning” definition

- Before school, after school, summer, or intersession learning programs
- Focused on academic, social, emotional, and physical needs and interests of students
- Hands-on, engaging learning experiences

# Expanded Learning Quality Standards

- ELO-P aligns programming to the Quality Standards for Expanded Learning which describe high levels of “Quality” at the programmatic, staff, and participant levels.
- CDE encourages collaboration and alignment through the lens of quality standards to develop a robust program with a safe and nurturing environment that supports the developmental, social-emotional and physical needs of all students.
- Find out more about the Quality Standards and CQI:  
<https://www.cde.ca.gov/ls/ex/qualstandcqi.asp>

# Combined Offering Considerations

## **Considerations for offering AR in conjunction with ELO-P:**

- Students who participate in Attendance Recovery cannot be excluded from participating in ELO-P offered during the year.
- LEAs must still meet all ELO-P program requirements, with compliance verified through the annual audit process
- AR shall not negatively impact ELO-P implementation

# Attendance Recovery & Expanded Learning Opportunities

If an LEA chooses to use ELO-P Funds to support Attendance Recovery, conditions under *EC* Section 46120(d)(3)(B) must be met.

## **Conditions for use of ELO-P funds on Attendance Recovery:**

- ELO-P and AR must be offered concurrently.
- The AR program must be operated by an LEA.
- Both programs must be offered at the same school site.

# Considerations for Use of Funds

## Allowable Costs

- The CDE does not approve or deny individual LEA requests for allowable uses of ELO-P funds for AR.
- ELO-P funding can be used to support AR provided that all such expenditures are necessary and reasonable for an AR program activity and are adequately documented.
- Expenditures should be consistent with statute and the LEA's policies and procedures.

## Revising the ELO-P Plan

- It is CDE's Guidance that LEAs revise and update their ELO-P Plans to reflect how ELO-P funding will support AR if they wish to utilize ELO-P funding.
- Most current plan guide can be found at: <https://www.cde.ca.gov/ls/ex/elopininfo.asp>

# Supervision Requirements Comparison (1)

- ELO-P and AR are distinct programs with distinct requirements. If an LEA chooses to offer ELO-P and AR concurrently:
  - ☐ Requirements under *EC* Section 46120 apply to students in ELO-P
  - ☐ Requirements of *EC* Section 46211 apply to students in AR
- In a commingled class with students from both programs, the most stringent requirement applies.
  - ☐ AR supervision requirements must be met for all AR students in the classroom.

# Supervision Requirements Comparison (2)

Requirement	ELO-P Class	AR Class	ELO-P and AR Commingled Class
<b>Student Supervision by Staff</b>	Staff must meet the LEA's minimum qualifications for an instructional aide.	Staff must be a certificated employee of the LEA that claims apportionment.	Staff must be a certificated employee of the LEA that claims apportionment.
<b>Staff-to-student Ratios</b>	1:10 for TK/K 1:20 for all other grades	1:10 for TK/K 1:20 for all other grades	1:10 for TK/K 1:20 for all other grades
<b>EC Reference</b>	EC sections 8483.4(a) and 46120(b)(2)(D)	EC Section 46211(f)	EC sections 46211(f) and 46120(d)(3)(B)

# Requirements for Offering Attendance Recovery to Older Students

- LEAs who have fulfilled ELO-P funding requirements to offer and provide access to students in grades TK-6 may use ELO-P funds to support AR offering for grades 7-12.
  - ☐ LEAs must ensure that the middle and high school students are also provided with access to ELO-P.
- The LEA cannot exclusively use ELO-P funds to offer an AR program to students without also providing ELO-P.
  - ☐ For example: An LEA satisfies all the ELO-P requirements for its TK/K-6 students. It may then use ELO-P funds to operate an AR program for students in grades 7-8, provided those students are also provided with ELO-P, and all other conditions are met.

# Program Participation Reporting

## AR Attendance Reporting

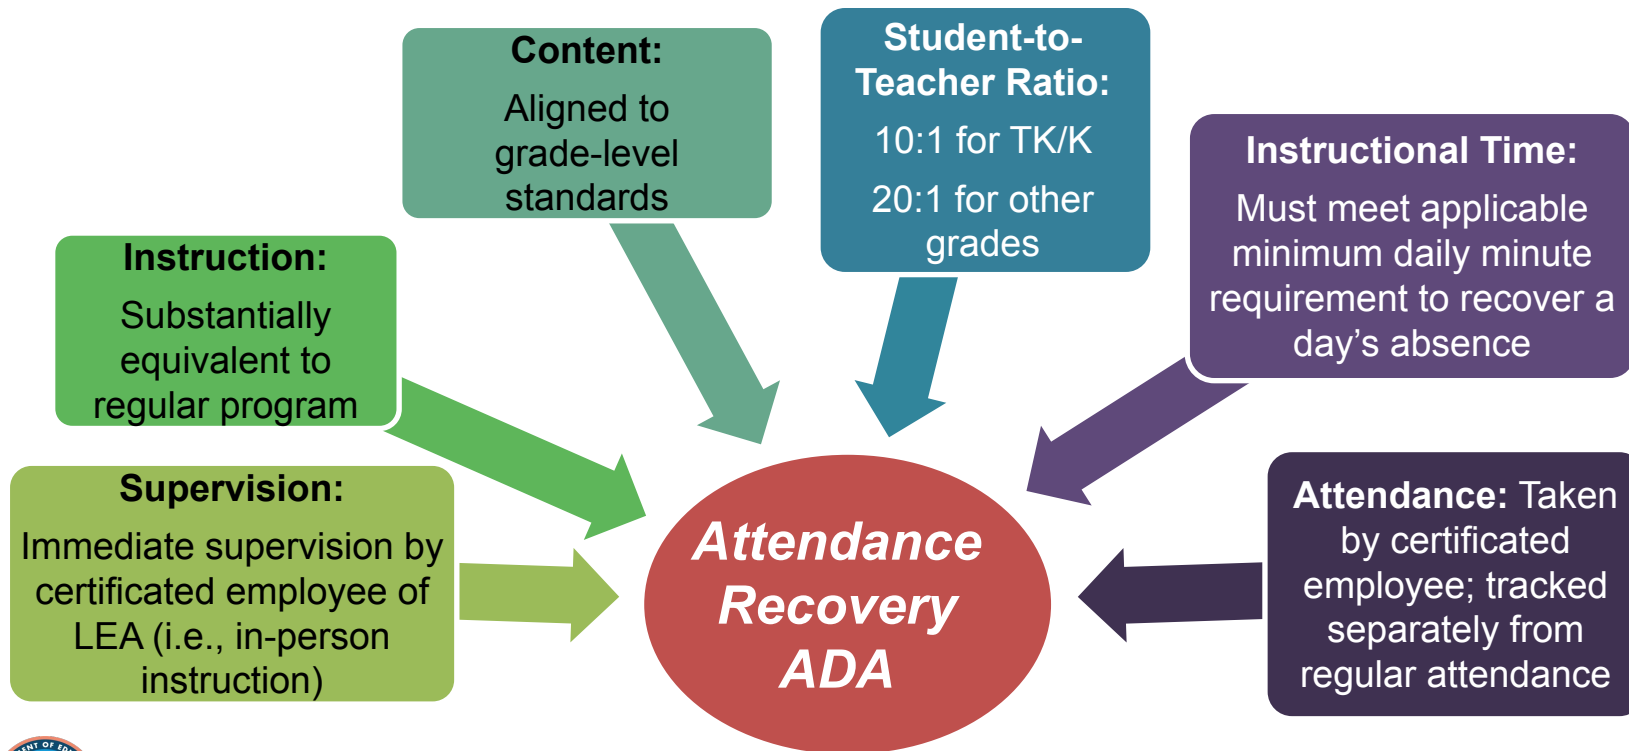

- LEAs must track and report AR attendance separately from regular school day attendance.
- When time requirements are being met over multiple days, the teacher of each AR classroom is responsible for documenting student's actual program participation, in increments of one hour.

## ELO-P Participation Reporting

- As a result of AB 1113, beginning in FY 2025-26 LEAs will provide information on students who were enrolled in an Expanded Learning Program (ELP) (defined as having a signed enrollment form).
  - ☐ Data certified as part of the EOY 3 submission to CALPADS
- LEAs will identify the total number of ELP participation days for each enrollee.
  - ☐ Attendance is counted when student attends any portion of an ELP session on a single day.
- In accordance with state law, the CDE will continue to provide a report to the legislature on this program based on this new data source.

# Conditions of Apportionment

# Supervision Requirements (1)

- Students in AR must be under the immediate supervision and control of a certificated employee of the LEA
  - ☐ Third-party vendors may not supervise AR.
- AR programs must maintain students-to-certificated employee ratios:
  - ☐ 10:1 for Transitional Kindergarten and Kindergarten
  - ☐ 20:1 for grades 1 through 12

# Instructional Requirements

- Students in AR engage in educational activities that:
  - ☐ Are substantially equivalent to regular instruction
  - ☐ Align content to grade-level standards
  - ☐ May include one-on-one or small group tutoring
- Students with IEPs may participate if consistent with the goals in their IEP.
  - ☐ When an individual's plan specifies an alternate minimum school day length, those minutes are the applicable minute requirement for AR for the individual (*EC* Section 46211(e)(1)).

# Recordkeeping Requirements

- AR attendance must be tracked and reported separately from regular school day attendance
- Teacher of an AR classroom documents each student's participation time
  - ☐ May be done in increments of one hour, though not required
  - ☐ Daily accounting is appropriate if AR sessions meet minimum daily minute requirements
- A student may accrue time over multiple sessions on multiple days
  - ☐ Attendance credited in whole days of ADA once applicable requirement is met
- LEA maintains records and makes them available for audit purposes
  - ☐ Ensure access to supporting documentation if hourly accounting is used.

# Limitations

- Students may only be credited up to the lesser of:
  - ☐ 10 days of attendance, or
  - ☐ the number of their absences in that school year.
- Attendance Recovery ADA is credited to an absence in the school year in which the Attendance Recovery program is operated.
- Limit of one AR ADA per calendar day of participation
- Attendance recovery time is not included in instructional time for the purpose of meeting annual day and annual minute requirements.

# Receiving ADA Credit

## Absence

Student misses day of required attendance

## Participation

- Recorded by certificated employee of LEA
- Time may be logged by the day or hour
- LEA tracks cumulative time

## Minimum Day

- Determined based on:
- School setting
- Student's grade span
- Or as defined by student's IEP

## ADA Credit

- Once minimum day is met, LEA may claim 1 ADA
- ADA earned this way must be tracked separately
- Original absence code is not changed

# Attendance Recovery Minimum Day

## By Grade Span\*

TK/K: 180 minutes

1-3: 230 minutes

4-8: 240 minutes

9-12: 240 minutes

## By School Setting

180 minutes: E/MCHS  
(Dual Enrollment),  
Continuation High,  
Opportunity

240 minutes: E/MCHS  
(Non-Dual Enrollment),  
County Community,  
Juvenile Court

360 minutes: Community Day

## On Individual Basis

For students with  
exceptional needs,  
an alternative  
minimum day may be  
established by their  
IEP

*\* Minimum days under EC sections 46112, 46113, 46117 and 46141 apply to all LEAs, including charter schools, for the purpose of Attendance Recovery.*

# Participation by the Day

- Example: An AR session is offered on one calendar day that meets the minimum daily minutes required to claim a day of attendance.

# Participation by the Hour (1)

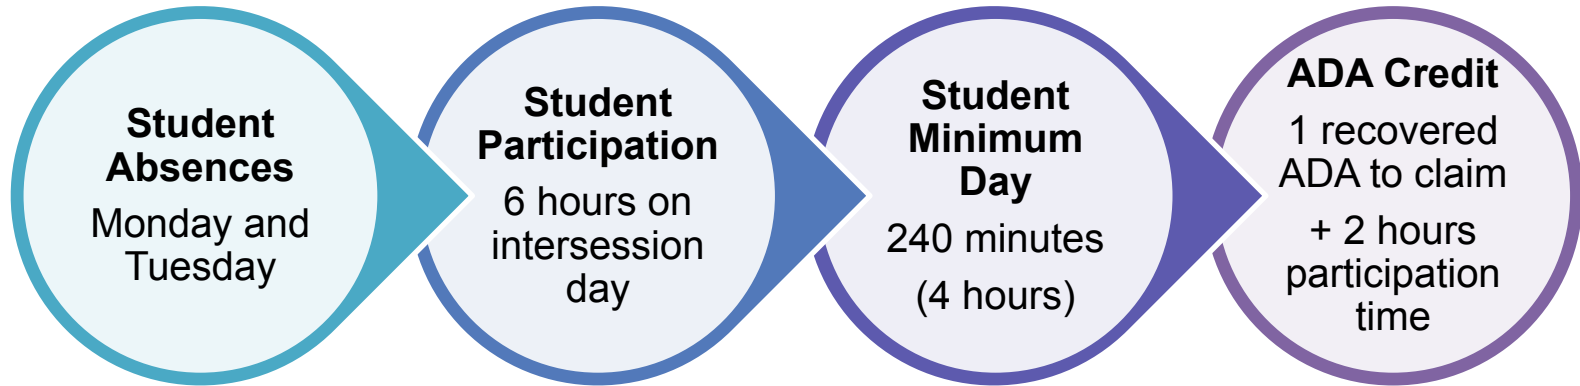

- The applicable minimum daily minute requirement may be met in hourly increments of participation by the student (e.g., before or after school)

# Participation by the Hour (2)

- Participation time on a calendar day beyond the minimum required to generate a day of attendance continues to accrue towards the recovery of another absence.

# Attendance Recovery Audit Compliance

## **EC Section 46211(d)**

- Student cap on recovered ADA
- ADA applied to a day of absence
- Separate tracking and reporting (to PADC and CALPADS)

## **EC Section 46211(e)**

- Minimum day requirements, including minimum day for students with an IEP
- Documentation of student participation and maintenance of attendance records

**Starting in FY 2025-26 an  
LEA's Annual Audit  
process will verify  
compliance with:**

## **EC Section 46211(f)**

- Supervision by certificated employee
- Substantially equivalent instruction
- Standards-aligned instructional content
- Student-teacher ratios

## **EC Section 46211(g)**

- Exclusion of nonclassroom-based students
- Exclusion of long-term independent study students

# Instructional Content Considerations (1)

- Instructional content will be locally determined.
- Students in an AR program must be engaged in educational activities and:
  - content aligned to grade-level standards that are
  - substantially equivalent to the student's regular instructional program,
  - and may include one-on-one or small group tutoring.
- ELO-P students must be provided with an educational and literacy element with tutoring or homework assistance in one or more of the following subjects:
  - language arts, mathematics, history and social science, computer training, or science.
- LEAs must be able to demonstrate compliance with this requirement during the annual audit process.

# Instructional Content Considerations (2)

Attendance Recovery	ELO-P Educational & Literacy Element
Content aligned to grade-level standards that are substantially equivalent to the student's regular instructional program; may include 1:1 or small group tutoring.	An educational and literacy element in which tutoring or homework assistance is provided in one or more of the following areas: language arts, mathematics, history and social science, computer training, or science.
<b>Grade 1 Mathematics:</b> <ul style="list-style-type: none"><li>▪ Students are working on developing understanding of addition and subtraction.</li><li>▪ Example instructional strategies:<ul style="list-style-type: none"><li>• Ten frames</li><li>• Counters and manipulatives</li></ul></li></ul>	<b>Grade 1 Math Activities:</b> <ul style="list-style-type: none"><li>▪ Students provided an opportunity to complete homework.</li><li>▪ Hands-on academic activities such as:<ul style="list-style-type: none"><li>• Floor Number Line: Hopping forward or backward</li><li>• Bowling Math: Knock cups down; solve for remainder</li><li>• Pretend Grocery Store: Shopping math problems</li></ul></li></ul>

# Additional Considerations

- Recordkeeping Processes
  - Distinct programs with separate participation tracking
  - ELO-P signed enrollment form and attendance tracking
  - AR attendance records
- Targeting Students for Attendance Recovery
  - Utilizing local data sources to identify chronically absent students/students most in need

# Scheduling Considerations (1)

- There are a variety of scheduling options an LEA may consider for operating an ELO-Program in conjunction with an AR Program
- The following examples highlight some of those potential schedules
  - The following examples are not inclusive of all possible acceptable scenarios
  - The examples assume that the program requirements of ELO-P and AR are being met, unless otherwise noted

# Sample 1: ELO-P School Day Schedule (No Attendance Recovery)

	Monday	Tuesday	Wednesday	Thursday	Friday
8:00am-3:00pm	<b>Regular School Day</b> (All Students)	<b>Regular School Day</b> (All Students)	<b>Regular School Day</b> (All Students)	<b>Regular School Day</b> (All Students)	<b>Regular School Day</b> (All Students)

# Scheduling Considerations (2)

- The following examples highlight some schedules that may not meet the requirements of both programs while running in conjunction with one another.
  - ELO-P and AR each have distinct requirements. If an LEA chooses to offer them in conjunction, the requirements under *EC* Section 46120 apply to students in the ELO-P program, and the requirements of *EC* Section 46211 apply to students the AR program.

## Sample 6: ELO-P + AR School Day Schedule (Comminglel Classrooms)

	Monday	Tuesday	Wednesday	Thursday	Friday
8:00am-3:00pm	Regular School Day (All Students)	Regular School Day (All Students)	Regular School Day (All Students)	Regular School Day (All Students)	Regular School Day (All Students)
3:00-3:30pm	Snack/Meal MPR (All Students)	Snack/Meal MPR (All Students)	Snack/Meal MPR (All Students)	Snack/Meal MPR (All Students)	Snack/Meal MPR (All Students)
3:30pm-5:00pm	Attendance Recovery Program Classroom A & B (All Students)	Attendance Recovery Program Classroom A & B (All Students)	Attendance Recovery Program Classroom A & B (All Students)	Attendance Recovery Program Classroom A & B (All Students)	Attendance Recovery Program Classroom A & B (All Students)
	Dance PE Room (All Students)  Playground Free Play Playground (All Students)	Classroom A (All Students)  Playground Free Play Playground (All Students)	Dance PE Room (All Students)  Playground Free Play Playground (All Students)	Classroom A (All Students)  Playground Free Play Playground (All Students)	Dance PE Room (All Students)  Playground Free Play Playground (All Students)

This example shows that AR is not voluntary, there is not a concurrent ELO-P offering

# Sample 7: ELO-P Non-School Day Schedule (with Summer School)

	Monday	Tuesday	Wednesday	Thursday	Friday
					
8:00am-9:00am	Welcome/Breakfast MPR (All Students)	Welcome/Breakfast MPR (All Students)	Welcome/Breakfast MPR (All Students)	Welcome/Breakfast MPR (All Students)	Welcome/Breakfast MPR (All Students)
9:00am-10:00am	Morning Small Groups MPR (All Students)	Morning Small Groups MPR (All Students)	Morning Small Groups MPR (All Students)	Morning Small Groups MPR (All Students)	Morning Small Groups MPR (All Students)
10:00am-12:00pm	Summer School MPR (All Students)	Summer School MPR (All Students)	Summer School MPR (All Students)	Summer School MPR (All Students)	Summer School MPR (All Students)
12:00pm-1:00pm	Lunch MPR (All Students)	Lunch MPR (All Students)	Lunch MPR (All Students)	Lunch MPR (All Students)	Lunch MPR (All Students)
1:00pm-3:00pm	Board Games Classroom A & B (All Students)	Fun with STEAM Classroom A & B (All Students)	Board Games Classroom A & B (All Students)	Fun with STEAM Classroom A & B (All Students)	Board Games Classroom A & B (All Students)
	Book Club Library (All Students)	Coding for Kids Classroom C & D (All Students)	Book Club Library (All Students)	Coding for Kids Classroom C & D (All Students)	Book Club Library (All Students)
	Robotics Classroom C & D (All Students)	Gardening School Garden (All Students)	Lego Robotics Classrooms C & D (All Students)	Gardening School Garden (All Students)	Lego Robotics Classrooms C & D (All Students)
	Music Music Room (4 <sup>th</sup> -6 <sup>th</sup> Grade)	Creative Story Writing Classroom C & D (All Students)	Music Music Room (4 <sup>th</sup> -6 <sup>th</sup> Grade)	Creative Story Writing Classroom C & D (All Students)	Music Music Room (4 <sup>th</sup> -6 <sup>th</sup> Grade)
	Yoga PE Room (All Students)	Playground Free Play Playground (All Students)	Yoga PE Room (All Students)	Playground Free Play Playground (All Students)	Yoga PE Room (All Students)

If the LEA is considering using the Summer School time to also count for AR, it would not be allowable. AR would not be voluntary, there is not a concurrent ELO-P offering.

# Current Attendance/Absence Reporting to CALPADS

- LEAs current submit and certify, cumulative attendance and absence data for each student at schools in the LEA where they are enrolled
- These data are submitted to CALPADS via the Student Absence Summary (STAS) file
- These data are collected as part of the End-of-Year (EOY) 3 submission to CALPADS and are used to:
  - Develop the Chronic Absenteeism Rate Indicator on the California School Dashboard
  - Report publicly via DataQuest

# New Attendance Recovery Days Reporting to CALPADS (1)

As part of their 2025-26 EOY Submission to CALPADS:

- LEAs may report up to ten Attendance Recovery (AR) days earned by students enrolled at schools in the LEA during the year (July 1 - June 30)
  - If LEAs are claiming ADA for AR days they should also submit AR days to CALPADS
- LEAs may report AR days at any school in the LEA where the student was enrolled and had absences
- LEAs will not be able to report more than ten AR days for a student, or the number of days a student was absent at schools within the LEA, whichever is less

# New Attendance Recovery Days Reporting to CALPADS (2)

- AR days can only be reported for students in grades TK - 12
- All other fields on the STAS file are to be populated as they have always been populated with NO changes due to the new reporting of AR days

# Reporting AR Days Separate from Reporting Expanded Learning Program

As part of their 2025-26 EOY 3 Submission, attendance in Expanded Learning programs is also being collected for the first time in CALPADS

- Attendance for AR days must be collected and maintained separately from any attendance data collected for Expanded Learning programs
- The Expanded Learning data will be collected in a new CALPADS file, and NOT on the STAS file

# Ways to Join the Breakout Rooms

1

1. Using the Zoom Control Bar, at the bottom of your window, click on **Breakout Rooms**. This will display the list of breakout rooms.
2. Then, select the breakout room you would like to join.

2

1. Rename yourself with the room you want to go to, and we will assign you to the breakout room. (i.e. R3 - Heather)
2. In the **"Participants"** list on the right side of the Zoom window, hover over your name and click on the **"Rename"** button

3

If you can't do either steps 1 or 2, we will help you get to a breakout room.
