

# Paving the Way

## Developing Pathways for Expanded Learning Educators into Teaching Convening

#EXLTeachingPathways

August 23, 2021

*Thank you to all of our attendees, presenters, and guest speakers!*

Convening materials will be posted in the coming days and will be available in our CAN App!

[Download the app](#) today or [access the web app](#).

CSU The California State University  
WORKING FOR CALIFORNIA

### EXL Workforce: Underexplored potential\*

- Racially and ethnically diverse workforce
- Close ties with diverse communities
- Experienced working with children and families
- Committed to teaching and their communities
- Opportunity for collaboration among EPPs, EXL, and District partners

\*The Education Trust- A natural fit: Placing after-school staff of color in teacher pipelines, July 2021

### Dr. Marquita Grenot-Scheyer

Assistant Vice Chancellor, Educator Preparation and Public School Programs, California State University, Office of the Chancellor

*"EXL Teachers preparing to teach is a win, win for students, districts, and for EXL teachers."*  
-Jill Pitner, NCTR

## Expanded Learning Workforce

Young, educated, and diverse

### Rising to the Opportunity

Teacher Development + Economic Development + Human Capital = Educational Effectiveness

*"Expanded Learning programs provide incredible opportunities for people to experience what it's like to work in education - especially those who never considered a career in education before."*  
-Mike Snell, CTFF
