I have the expertise and knowledge to present on the following Quality Standards: :

Active and Engaged Learning

Active and Engaged Learning

Please provide a short description of your workshop around this quality standard:

This interactive workshop will introduce attendees to the educational value of graphic novels and how to engage students in hands-on, project-based comic book learning that will produce projects to share at culminating events, such as comic cons, cardboard carnivals, and science fairs. Participants will learn how graphic novels can be used to address character education, English language arts, STEM, and visual and performing arts. Attendees will explore how to use comic book projects to assist students to become independent as well as collaborative learners as they gather, think about, apply, and share information.

Please indicate the audience this workshop is intended for (mark all that apply and specify in description if "other"):

- Site Staff- Elementary
- Site Staff- Middle School
- Site Staff- High School
