I have the expertise and knowledge to present on the following Quality Standards: :

Active and Engaged Learning

Active and Engaged Learning

Please provide a short description of your workshop around this quality standard:

Inquiry and experiential learning are natural ways to learn. This session introduces youth workers to the concepts of experiential learning and science inquiry. Understanding these concepts helps youth workers capitalize on kid's interests, assure better learning outcomes and provide exciting learning opportunities for acquisition of science, engineering, and technology knowledge and skills.

Please indicate the audience this workshop is intended for (mark all that apply and specify in description if "other"):
